

Do you have a little time in your day to give a kid a chance at college?

Southwest Tennessee Development District has implemented a Regional Economic Development Initiative College and Career REDIness program.

REDI's educational component to economic development is a college access program in 12 West Tennessee counties. Community-based advisors are guiding students through the college admission and financial aid processes.

As a college access advisor you will be trained in three key areas:

- Financial Aid (FAFSA)
- College Application Process
- Career Advising

You can make a lasting impact on a young person's life. As a REDI College and Career REDIness advisor you will not only help increase the college-going rate of students in West Tennessee but also strengthen our state's workforce.

We think you'd be perfect!

To sign up or for more information, call Nancy Johnson (901.813.8126) or Beverly Vos (731.668.6449). Learn more about the REDI college access initiative at www.swtd.org and click on REDI.
