Large Business & Industry Awards Categories

The following two awards are to recognize large business/industry that demonstrate genuine partnership by working with the community and relevance at a local level. We are looking to recognize businesses working with other businesses, non profits and local communities to identify issues or areas of need, develop sustainable programs and initiatives that will make a lasting impact on both the organization that is collaborated with and the community that they are working in.

Particular areas of work to note are:

- job creation/workforce development
- community involvement through business or encouragement of employee involvement in civic organizations
- donation of considerable business resources such as provision of premise or materials
- involvement in county/regional focused economic development programs
- involvement in programs that focus on school/education partnerships

Please provide all requested information using an additional sheet if necessary. Please put the EXACT title of the award they are being nominated for at the top.
